MEMORANDUM FOR: Deputy Director for Administration

SUBJECT: Rescheduled Briefing of the House Permanent Select Committee on Intelligence (HPSCI) on General Services Administration (GSA) Delegation

1. As you know, our original meeting with the HPSCI legal staff (Mike O'Neil, Bernie Raimo, Steve Berry and Dave Addington) on the GSA delegation provision contained in our draft 1985 Intelligence Authorization Bill scheduled for 2:00 p.m. on 30 March was rescheduled for 9:30 a.m. on 4 April. The rescheduling was requested by Steve Berry, Minority Staff Counsel, to permit the Agency to obtain Office of Management and Budget (OMB) clearance for the Bill prior to the meeting. For your information, the Bill was transmitted to both HPSCI and the Senate Select Committee on Intelligence early last Friday, 30 March 1984.

2. During my conversation with Steve Berry, I learned that HPSCI's purpose in holding this meeting extends beyond information-gathering, as they are concerned about the need for both this transfer of functions and for legislation to accomplish this delegation. A detailed justification for the Agency's assumption of the guard force function will be required as HPSCI will ask questions in the following areas at the meeting:

3. Given the short timeframe in which HPSCI must consider and review our Authorization Bill and the fact that this may be our best opportunity to inform the Committee on this GSA delegation provision, I would suggest that we have a pre-brief on Tuesday at 2:00 p.m. in Room 3D 03 Headquarters, to fully discuss our presentation and responses to the above questions.
